Playmakers Presents Teens Top Off Our 71st Season

Stephen Sondheim and Hugh Wheeler

Sweeney Todd has become a worldwide success since being awarded eight Tony Awards (including Best Musical), for its Broadway premiere and has now been adapted for high school performers. Stephen Sondheim's and Hugh Wheeler's tasty, thrilling, theatrical treat has simultaneously shocked, awed and delighted audiences across the world. An infamous tale, Sweeney Todd, an unjustly exiled barber, returns to nineteenth-century London, seeking vengeance against the lecherous judge who framed him and ravaged his young wife. The road to revenge leads Todd to Mrs. Lovett, a resourceful proprietress of a failing pie shop, above which he opens a new barber practice. Mrs. Lovett's luck sharply shifts when Todd's thirst for blood inspires the integration of an ingredient into her meat pies that has the people of London lining up... and the carnage has only just begun!

PLAYMAKERS CIVIC THEATRE PRESENTS OUR 72ND SEASON OF: Holiday Warmth, Hilariously Aging & A Humorous Spook

November/December 2018

Adapted by James W. Rogers from:
Film by Frank Capra
Story by Phillip Van Doren Stern

The saga of George Bailey, the Everyman from the small town of Bedford Falls, whose dreams of escape and adventure have been quashed by family obligation and civic duty, whose guardian angel has to descend on Christmas Eve to save him from despair and to remind him—by showing him what the world would have been like had he never been born—that his has been, after all, a wonderful life.

DIRECTOR—Brenda Hensley

February 2019

A sunny room on an upper floor is prime real estate in the Bristol Place Senior Living Facility, so when the cantankerous Abby is forced to share her quarters with new-arrival Marilyn, she has no choice but to get rid of the infuriatingly chipper woman by any means necessary. A seemingly harmless bet between the women quickly escalates into a dangerous game of one-upmanship that reveals not just the tenacity of these worthy opponents, but also deeper truths that each would rather remain hidden.

DIRECTOR—Millie Butts

May 2019

Researching material for a new novel, Charles engages Madame Arcati, a spiritual medium of uncertain talent, to conduct a séance in his home. Quite by accident, she summons the spirit of Charles's first wife and cannot make the disruptive spirit go away causing hilarious problems between Charles and his second wife who can neither see nor hear the spirit..
